Adverting to your memo No. 7719-26 dated 7th December 1917, forwarding copy of your letter No. 7717 of the same date to the Deputy Commissioner, Bangalore District, directing that only such quantities of calendars, Picture Post cards and "World War" stamps as he is willing to pay for should be obtained on indent, and that the Superintendent, Government Press, cannot be permitted to take back any portion thereof that may remain unsold, I have the honor to state that long before the receipt of the above Government order, indents were sent up to Government and the Superintendent, Government Press in accordance with instructions contained in your letter No. 6735-44--G.H. 228-17-17 dated 20th November 1917. As it was not possible to find out the exact quantity that could be sold in the several Taluks, indents were made on a rough calculation. Of course my Subordinate Officers tried their level best to sell as many of these articles as possible to the general public and remitted the sale proceeds to the Treasuries. As there is still some stock of stamps and cards left with some of the officers, I request to be informed whether the same may be sent ^{back} to the Superintendent,
